

Kindergarten Summer Reading List

In an effort to encourage reading, and a love for reading, Stonehaven has established a required summer reading list for upcoming kindergarten students. Please read *at least ten* books from the required list. We hope you will read many more than ten over the summer! One way to raise a reader is to read great books to him/her when he/she is young.

Fill out the attached forms for the books you read.

On the Friday of the first week of school we will have “Character Day”. On that day, your child should come to school dressed as a character from one of the books on the REQUIRED READING list. Your child will have the opportunity to share about the book and the character. I am already looking forward to “Character Day”.

We hope you have an exciting, enjoyable summer of reading.
