CHRIST-CENTERED CLASSICAL EDUCATION

THE TIME IS NOW

— Securing a Home for Stonehaven's Future —

IT IS WONDERFUL to look back and reflect upon how the Lord has graciously provided for all of our needs since Stonehaven's founding in 2004. For sixteen years, our school has thrived in providing a Christ-centered classical education. We have done all this while never owning our own permanent campus.

For the past three years, we have been on a challenging but rewarding journey to secure a permanent home for our school. God's provision initially came with a beautiful eight-acre campus for our Upper School on Old Concord Road. In August of 2020, we were presented with a remarkable opportunity allowing us to purchase a 23,000 square foot church one-half mile from our new campus. At just the right time, God opened another door for our school.

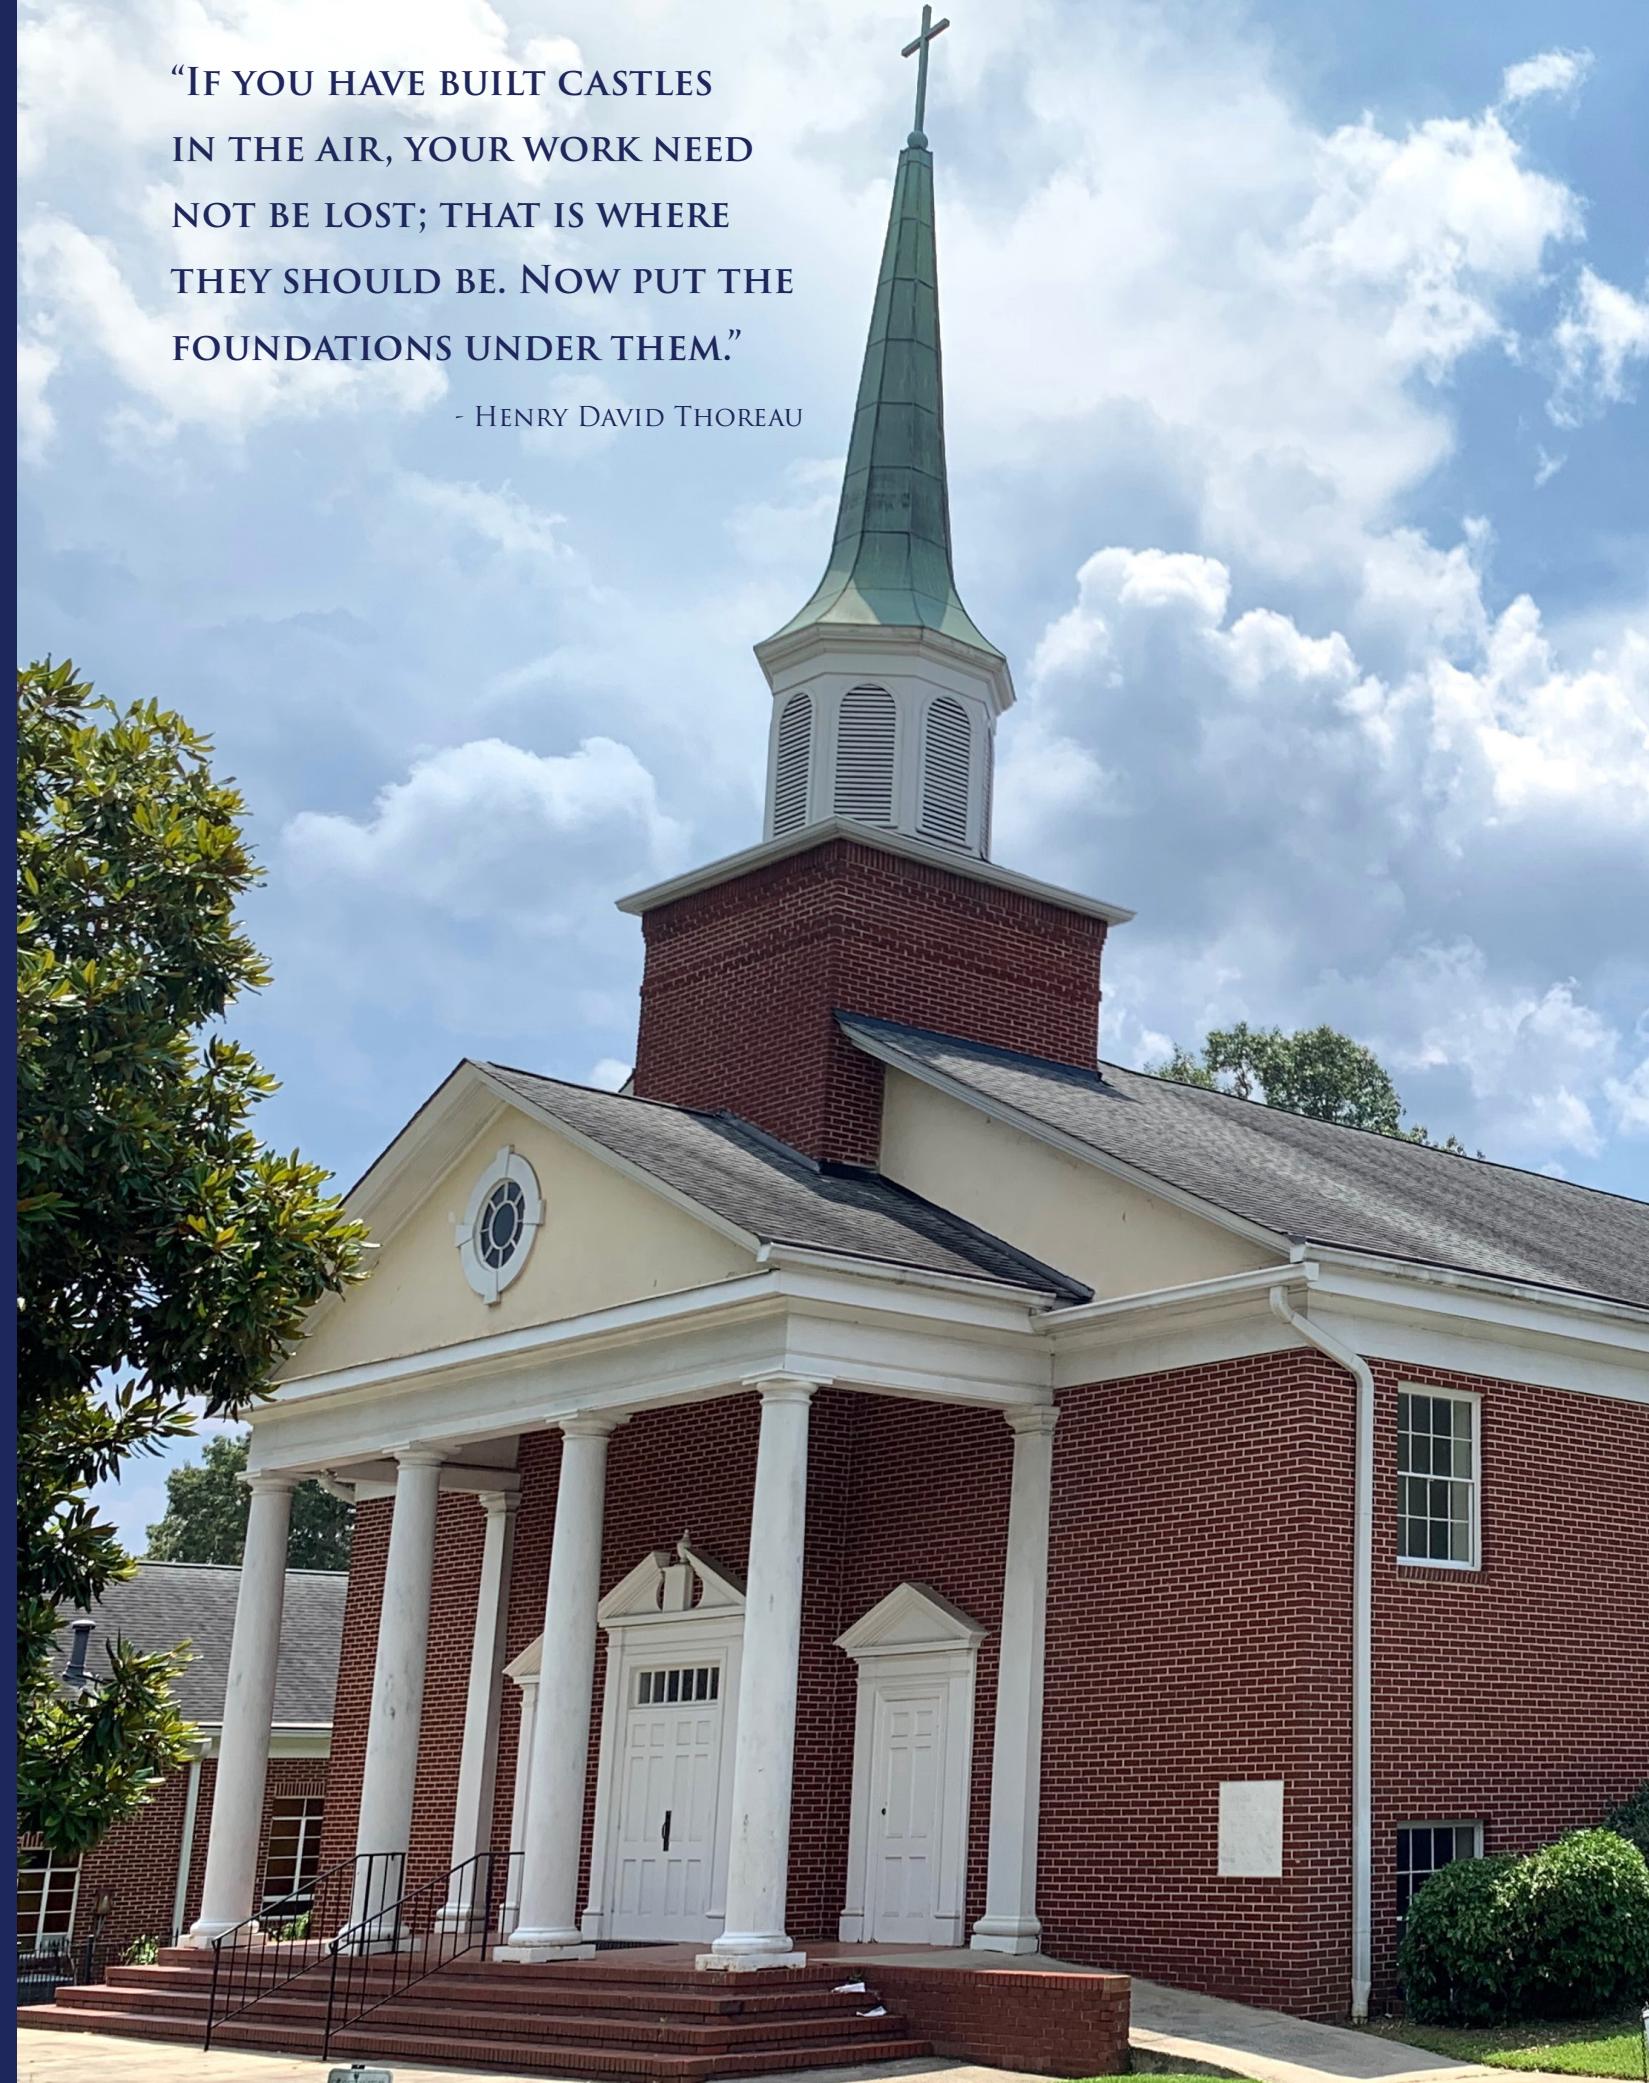

THE TIME IS NOW.

In His providence, the Lord has given us the opportunity to secure for our teachers and children a place they can call home. A place where we can fully realize the creativity and imagination of our beautiful Christ-centered classical vision. This building and property grant us the freedom to build and create spaces for our children we were only able to imagine. The renovation plan includes uniquely designed classrooms, a new playground, an outdoor classroom, a new school lobby, and a hybrid cafeteria-indoor recreation space.

We need your support in The Time Is Now capital campaign. Your gift helps provide a beautiful new school home for our children and affords us the opportunity for even more children to experience the truth, goodness, and beauty of a Stonehaven education.

IMAGINE WHAT OUR TEACHERS CAN CREATE IN A BUILDING AND SPACE OF THEIR OWN.

The building at Joyner Avenue opens up a wealth of opportunities to explore the truth, goodness, and beauty of God in a greater way.

Support for this campaign will establish strong roots, securing a future for the faithful education of our children in service of our Lord and Savior Jesus Christ.

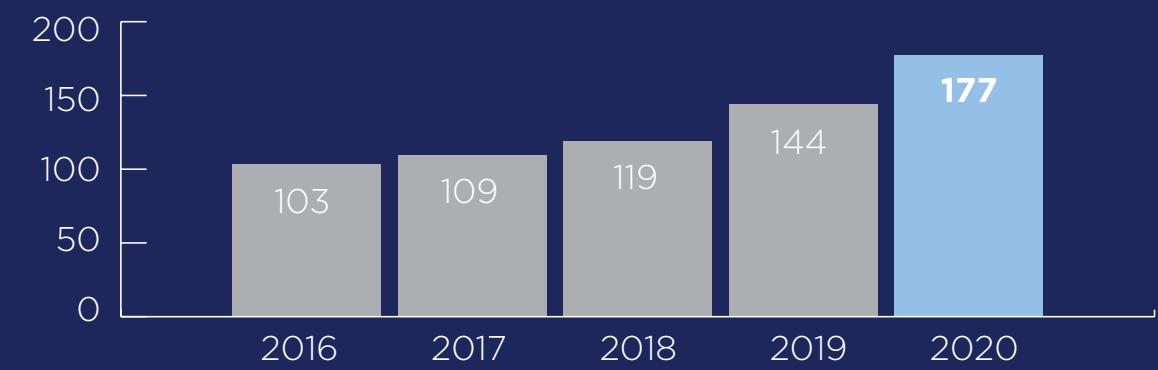

A SEASON OF GROWTH

Our school has never defined success by our student enrollment. Our ultimate objectives are an academic program and a school culture that bring honor to God and prepare our children for a life of service building His kingdom.

Yet, we are passionate about seeing more children come and enjoy the feast of a true, good, and beautiful education. This new building will allow us to increase the enrollment in our lower school program. The growth of our student body reflects our ability to achieve our Christ-centered classical mission and vision.

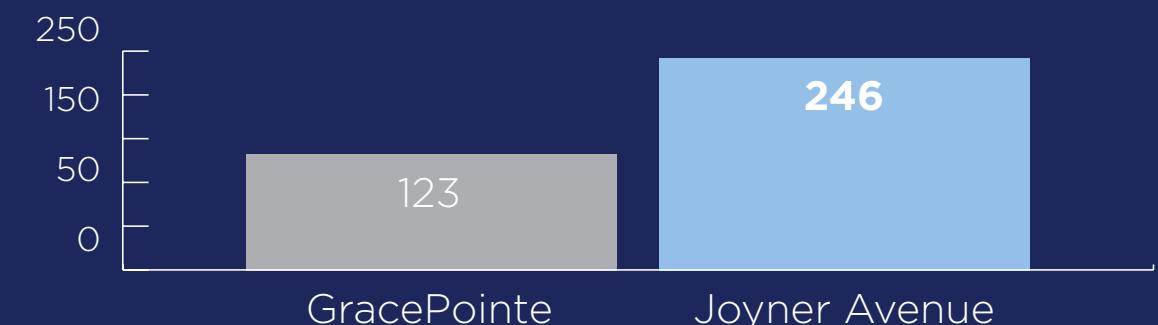

Student Enrollment

The Joyner Avenue building provides the classroom space to expand to two sections of Kindergarten through sixth grade. Stonehaven is currently at capacity in every class, Kindergarten through eighth grade.

“Stonehaven provided me with a rich intellectual and spiritual community when it mattered the most. At the time when I was trying to figure out who I was, the outstanding teachers and staff of Stonehaven were there to set me on the right path: the path towards being a life-long learner and a life-long lover of Christ.”

- Canon Jackson, 2017

“Stonehaven means the world to me. They've taught me so much, and it's been a lifelong family bond even years after I left. They really care about you and make sure you're good in every aspect.”
